

Remarks

The Final Office Action dated February 13, 2008 indicated that claims 3, 5 and 13 are objected to as being dependent upon a rejected base claim but would be allowable if rewritten in independent form. In response thereto, Applicant has rewritten claims 3, 5 and 13 in independent form including limitations of the base and any intervening claims. Applicant has also cancelled the remaining claims 1-2, 4, 6-12 and 14-16. Applicant respectfully submits that this amendment should be entered because it places the instant application in condition for allowance. *See, e.g.,* M.P.E.P. § 714.02. Accordingly, Applicant requests that the amendment be entered.

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is asked to contact the agent overseeing the application file, Peter Zawilski, of NXP Corporation at (408) 474-9063 (or the undersigned).
